

# We need your feedback!

Natural resources are what we do. To help address the most important issues, we're looking for your thoughts on the natural resources in your area.

**Scan the QR code or visit [www.sdresourceconcerns.org](http://www.sdresourceconcerns.org) to let us know which natural resource concerns are important to you!**

How to scan QR code:

1. **On your smartphone, launch your camera or download a free barcode scanner app.**
2. **Point your phone to scan the code.**
3. **Connect to the website.**
